

**Ordinance of the State Government on Infection Protection Measures
against the Spread of the SARS-CoV-2 Virus (Corona Ordinance –
"CoronaVO")¹**

of 30 November 2020

(in the version valid from 25 January 2021)

On the basis of Art. 32 in conjunction with Arts. 28 to 31 of the [German] Infection Protection Act ("IfSG") of 20 July 2000 (Federal Law Gazette I, p. 1045), last amended by Article 1 of the Act of 18 November 2020 (Federal Law Gazette I, p. 2397), it is decreed:

Part 1 – General Regulations

*Section 1: Objectives,
Temporary Measures to Avert an Acute Health Emergency*

*Art. 1
Objectives*

(1) This Ordinance is intended to combat the pandemic of the SARS-CoV-2 virus (corona virus) in order to protect the health of citizens. To this end, the risks of infection are to be reduced in an effective and targeted manner, infection routes are to be made traceable and the maintenance of medical care capacities guaranteed.

(2) In order to pursue these objectives, this Ordinance establishes rules and prohibitions that restrict the freedoms of individuals and significantly reduce the number of physical contacts in the population. On the one hand, the implementation

¹ Non-official consolidated version after the entry into force of the Ordinance of the State Government amending the Corona Ordinance of 23 January 2021 (emergency promulgation pursuant to Article 4 of the Promulgation Act and retrievable at <http://www.baden-wuerttemberg.de/corona-verordnung>).

of these regulations is the personal responsibility of the citizens and on the other hand, it is the sovereign action of the competent authorities.

Art. 1a

Temporary Measures to Avert an Acute Health Emergency

Up to and including 14 February 2021, Arts. 1b to 1i shall take precedence over the other provisions of this Ordinance and the statutory decrees issued on the basis of this Ordinance as well as the statutory decrees issued on the basis of the Corona Ordinance of 23 June 2020 (Law Gazette p. 483), as last amended by Article 1 of the Ordinance of 17 November 2020 (Law Gazette p. 1052), insofar as these contain deviating provisions.

Art. 1b

Further Prohibitions and Restrictions of Events

(1) Other events within the meaning of Art. 10 Paragraph 3 Sentence 1 Numeral 2 are prohibited. This does not apply to:

1. Necessary committee meetings of legal persons under private and public law, companies and communities with legal capacity and partial legal capacity, staff meetings and events of the collective bargaining partners,
2. Weddings with the attendance of no more than 5 persons; children of the spouses are not counted here,
3. Events within the meaning of Art. 10 Paragraph 4,
4. Examinations and examination preparations to be conducted in attendance, unless otherwise provided for in Art. 1f,
5. Events of the study programme within the meaning of Art. 13 Paragraph 3,

6. Events in the field of child and youth welfare that are carried out within the framework of services or measures according to Arts. 13, 14, 27 to 35, 35a, 41 as well as Arts. 42 to 42e with the exception of Art. 42a Paragraph 3a of Book Eight of the Social Code - Child and Youth Welfare (SGB VIII),
7. Events that are absolutely necessary and cannot be postponed, which serve to maintain work, service or business operations or social welfare, and
8. The implementation of labour market policy measures and other vocational training that are required by law for the specific activity performed, as well as of language and integration courses; this only applies insofar as these cannot be carried out within the framework of an online offer and cannot be postponed.

(2) Nomination and election campaign events within the meaning of Art. 11 and the collection of support signatures required for parliamentary and municipal elections for election proposals of parties, electoral associations and individual candidates as well as for petitions for referendums, petitions for motions, citizens' petitions, residents' petitions and residents' meetings are permissible.

Art. 1c

Restrictions on Leaving the Home

(1) Staying outside the home or other accommodation is only permitted between 5 a.m. and 8 p.m. if the following valid reasons exist:

1. Averting a concrete danger to life, limb and property,
2. Attendance at events within the meaning of Art. 10, insofar as these are not prohibited under Art. 1b,
3. Gatherings within the meaning of Art. 11,

4. Gatherings within the meaning of Art. 12 Paragraphs 1 and 2,
5. Exercise of occupational and official activities, including the participation of volunteers in exercises and operations of the fire brigade, disaster control and rescue service,
6. Visiting facilities, insofar as their operation is not prohibited within the meaning of Art. 1d,
7. Participation in gatherings, private get-togethers and private events in the non-public sphere, insofar as these are permissible according to Art. 9 Paragraph 1,
8. Receiving medical, nursing, therapeutic and veterinary services, as well as the participation in blood donation campaigns,
9. Accompaniment of and care for persons in need of support and minors, in particular the exercise of custody and rights of access in the respective private sphere,
10. Accompaniment of and care for dying persons and persons in acutely life-threatening conditions,
11. Acts for the care of animals as well as measures for the prevention of epizootic diseases and for the prevention of damage caused by wild animals,
12. Visiting facilities in terms of Art. 1f for the purpose of participating in emergency care,
13. Examinations and examination preparations, unless otherwise provided for in Art. 1f,
14. Attendance of study events within the meaning of Art. 13 Paragraph 3,

15. Outdoor sport and exercise, insofar as this is permissible under Art. 9 Paragraph 1,
16. Necessary care and maintenance of private gardens, green areas or plots of land not attached to the dwelling or other accommodation, as well as firewood preparation in forest areas,
17. Attending language and integration courses, labour market policy measures or further training courses, insofar as these are permissible under Art. 1b Paragraph 1 Sentence 2 Numeral 8,
18. Measures of election advertising for the elections and referenda referred to in Art. 1b Paragraph 2, in particular distribution of flyers or billposting or information stands subject to official permits, and
19. Other comparably significant reasons.

(2) An extended restriction to leave the home applies from 8 p.m. to 5 a.m. the following day. Staying outside the home or other accommodation is permitted during this time if the following valid reasons exist:

1. Averting a concrete danger to life, limb and property,
2. Attendance at events within the meaning of Art. 10, Paragraph 4,
3. Gatherings within the meaning of Art. 11,
4. Gatherings within the meaning of Art. 12 Paragraphs 1 and 2,
5. Exercise of occupational and official activities, including professional, administrative or academic training that cannot be postponed, as well as the participation of volunteers in exercises and operations of the fire brigade, disaster control and rescue service,

6. Visiting spouses, civil partners as well as partners in non-marital cohabitation in their home or other accommodation,
7. Receiving medical, nursing, therapeutic and veterinary services,
8. Accompaniment of and care for persons in need of support and minors, in particular the exercise of custody and rights of access in the respective private sphere,
9. Accompaniment of and care for dying persons and persons in acutely life-threatening conditions,
10. Acts that cannot be postponed for the care of animals as well as measures for the prevention of epizootic diseases and for the prevention of damage caused by wild animals,
11. Measures of election advertising for the elections and referenda referred to in Art. 1b Paragraph 2, in particular the distribution of flyers and billposting subject to official permits, and
12. Other comparably significant reasons.

Art. 1d

Further Prohibitions of Operation and Restrictions of Facilities

(1) The operation of all facilities pursuant to Art. 13 Paragraph 1 shall be prohibited for public access. This does not apply to:

1. Accommodation establishments insofar as they are used for necessary business or official overnight stays or in special cases of hardship,
2. The hospitality industry, in particular pubs and restaurants, including hospitality establishments within the meaning of Art. 25 Paragraph 2 of the

Restaurant Act exclusively for external sales as well as pick-up and delivery services, for provision in conjunction with permitted overnight accommodation within the meaning of Numeral 1,

3. Canteens and cafeterias at universities and academies in accordance with the Academies Act, insofar as drinks and food are served exclusively for take-away and in the context of external sales,
4. Sports grounds, sports facilities, swimming pools, indoor swimming pools, thermal baths, fun pools and other pools as well as bathing lakes with controlled access insofar as they are used exclusively for administrative purposes for rehabilitation sports, school sport, study programmes, top-level or professional sports,
5. Facilities for the provision of medically necessary body-related services, in particular physiotherapy and occupational therapy, speech therapy, podiatry and chiropody,
6. Archives and libraries, insofar as the use is for the pick-up of ordered media and the return of media; Paragraph 2 Sentence 7 applies accordingly, and
7. Dog salons, dog groomers and comparable animal care facilities; Paragraph 2 Sentence 7 applies accordingly.

Notwithstanding Sentence 2 Numeral 4, the operation of outdoor sports grounds and sports facilities is permissible for recreational and amateur individual sports in accordance with to Art. 9 Paragraph 1, provided that the outdoor facilities are extensive and there is no use of changing rooms, sanitary facilities and other recreation rooms or communal facilities. Extensive outdoor facilities within the meaning of Sentence 3 shall be deemed to include, in particular, golf courses, riding arenas and model plane airfields as well as ski trails and ski slopes with the exception of ski lifts.

(2) The operation of retail businesses, shops and markets, with the exception of pick-

up offers and delivery services including those of online commerce, is prohibited.

The following are excluded from the prohibition:

1. The retail trade for food and beverages, including direct marketers, butchers, bakeries and confectioners,
2. Weekly markets within the meaning of Art. 67 Trade and Industry Regulation Act ("GewO"),
3. Places of issue of food banks,
4. Pharmacies, health food shops, drugstores, medical supply stores, orthopaedic shoe technicians, hearing aid acousticians, opticians, baby markets,
5. Petrol stations,
6. Post offices and parcel services, banks and savings banks as well as travel and customer centres for the sale of tickets for public transport,
7. Dry cleaners and laundrettes,
8. The sale of magazines and newspapers,
9. Sales outlets for animal supplies and feed markets, and
10. The wholesale trade.

Where mixed assortments are offered, parts of assortments whose sale is not permitted under Sentence 2 may be sold if the permitted part of the assortment amounts to at least 60 percent. These outlets may then sell all assortments that they normally sell as well. In all other cases, only the permitted part of the assortment may continue to be sold, if a spatial separation from the prohibited part of the assortment ensures that it is not sold. The opening of shopping centres and

department stores is only permitted for the exceptions mentioned in Sentence 2. When setting up pick-up services, operators must organise in particular the distribution of goods in a low-contact manner and within fixed time windows as part of their hygiene concepts. Article 13 Paragraph 2 shall remain unaffected.

(3) If a post office or a parcel service within the meaning of Paragraph 2 Sentence 2 Numeral 6 is operated together with a prohibited retail operation or retail shop, the retail operation or retail shop may not be operated, with the exception of ancillary services required for the dispatch of letters and parcels, if the turnover generated by the operation of the post office or the parcel service, including ancillary services, plays a subordinate role compared to that generated by the sale of the product range of the prohibited retail operation or retail shop.

(4) External sales of food and beverages are permitted for take-away only; areas for on-site consumption shall be closed.

(5) Company canteens within the meaning of Art. 25 Paragraph 1 of the Restaurant Act are to be closed for the on-site consumption of food and beverages. The distribution of food and beverages that can be taken away is permitted, provided that the consumption takes place in suitable spaces on the company premises. Sentence 1 does not apply if important reasons prevent the consumption outside the company canteen; in these cases, operators must ensure in particular, as part of their hygiene concepts, that the minimum distance of 1.5 metres is maintained between all visitors at all times and that a minimum area of 10 square metres per visitor is available in the dining area.

(6) Retail establishments and markets are prohibited from carrying out special sales promotions that are expected to attract an increased influx of people.

(7) Establishments of the craft and service trades as defined in Paragraph 1, including motor vehicle, agricultural machinery and bicycle repair shops as well as corresponding spare parts sales outlets, shall remain open. In the business premises of craftsmen and service providers, the sale of goods not related to craftsmen's services is prohibited; necessary accessories are excluded. In business premises of

telephone service providers, only the acceptance and removal of breakdowns and the repair or replacement of defective equipment are permitted; the sale of goods, including in conjunction with the mediation of service contracts, is prohibited. Art. 13 Paragraph 2 shall apply mutatis mutandis.

(8) The operation of driving schools, with the exception of online lessons, is prohibited; this does not apply to:

1. Driving training for professional purposes, in particular in the truck and bus driving licence categories,
2. Driving training for members of the volunteer fire brigade, rescue service, disaster control, the Technical Relief Organisation (“Technisches Hilfswerk”) or a comparable institution,
3. Driving training that has already begun and is about to be completed with the practical driving test, or
4. The conduct of an event permitted under Art. 1b Paragraph 1 Sentence 2 Numeral 8.

Art. 1e

Ban on Alcohol

The serving and consumption of alcohol is prohibited in public areas. The serving of alcoholic beverages is only permitted in closed containers.

Art. 1e (in the version applicable as from 27 January 2021)

Ban on Alcohol

The serving and consumption of alcohol shall be prohibited in traffic and meeting areas in city centres or other public places where people are present either in a

confined space or not merely temporarily, as determined by the competent authorities. The distribution of alcoholic beverages is only permitted in sealed containers.

Art. 1f

Operation of Schools, Day-Care Centres and Child Day-Care Facilities

(1) Until the end of 31 January 2021,

1. Classroom teaching and the organisation of extracurricular and other school events at public schools, primary school remedial classes, school kindergartens, and corresponding independent institutions,
2. The operation of day-care centres for children as well as child day-care, and
3. The operation of childcare services of the reliable primary school, flexible afternoon care, after-school care as well as after-school care at the school

are prohibited. The Ministry of Education and Cultural Affairs and the Ministry of Social Affairs may allow exceptions for the performance of examination components relevant to the final examination.

(2) The prohibition under Paragraph 1 shall not apply to

1. The schools at boarding homes for minors recognised under Art. 28 of the State Youth Welfare Act, insofar as the pupils attend the boarding home throughout the year, and to special education and counselling centres with boarding facilities that are open throughout the year.
2. The special education and counselling centres with the special emphases of mental development and physical and motor development, special education and counselling centres with other special emphases with these educational programmes as well as the school kindergartens with these special emphases. There is no obligation to attend classes in person.

3. The conduct of written performance assessments in schools building on the primary school, vocational schools as well as the corresponding courses of education of special needs education and counselling centres, provided that, in the opinion of the teaching professional, it is otherwise impossible to determine a mark for the school semester,
4. Face-to-face instruction, which, in addition to distance learning, is absolutely necessary for exam preparation for students
 - a) Of grade 9 of the “Hauptschule”, “Werkrealschule”, “Realschule” and “Gemeinschaftsschule” taking the final examination in the school year 2020/2021,
 - b) Of grade 10 of the “Hauptschule”, “Werkrealschule”, “Realschule” and “Gemeinschaftsschule” taking the final examination in the school year 2020/2021,
 - c) Of grades 1 and 2 of the general “Gymnasium”, the vocational “Gymnasium” and the “Gemeinschaftsschule”,
 - d) Of special education and counselling centres who attend one of the educational programmes mentioned under a) to c) in the corresponding grades,
 - e) Of grades 9 of the special education and counselling centres for Learning, the special education and counselling centres for other special emphases with the study programme Learning as well as grades 9 and 10 in target-differentiated inclusive educational programmes that prepare for a seamlessly following educational programme,
 - f) Of vocational schools taking a final examination in the school year 2020/21, with the exception of dual vocational training, vocational preparation courses, one-year vocational schools, one-year vocational colleges for social pedagogy, one-year vocational colleges BK I, vocational colleges for nutrition and education, and dual vocational

colleges specialising in social work,

5. Institutions pursuant to Art. 14 Numeral 3 and corresponding study programmes at vocational schools under the departmental responsibility of the Ministry of Education and Cultural Affairs; this shall only apply insofar as teaching operations cannot be carried out within the framework of an online offer and cannot be postponed.

(3) Instead of face-to-face teaching, distance learning is offered to pupils of all school types from grade 5 onwards. Primary school pupils shall be provided with analogue or digital learning materials by their teachers.

(4) Emergency care for eligible pupils at primary schools, primary school remedial classes, grades 5 to 7 of schools based on the primary school, all grades of the special education and guidance centres, as well as children in day-care facilities, children day-care and school kindergartens is exempt from the prohibition to operate. Entitled to participate are children,

1. Whose participation in emergency care is necessary to ensure the best interests of the child,
2. Both of whose legal guardians are indispensable in their professional activities or who are studying or attending a school, provided they are aiming for the final examination in 2021 and are prevented from caring for them by this activity,
3. Who are dependent on emergency care for other serious reasons.

Sentence 1 Numeral 2 also applies if a person is a single parent and fulfils the requirements.

Single parents are treated the same as legal guardians if the other legal guardian is prevented from providing care for compelling reasons, for example due to serious illness.

(5) As a rule, emergency care extends to the period of operation of the facilities it replaces. It takes place in the respective facility that the child has attended so far, by its staff and in groups that are as small and constant as possible. Exceptions to this are only permissible in cases requiring special justification. The minimum staffing ratio of Art. 1 of the Child Day-Care Centre Ordinance may be deviated from in emergency care, provided that the fulfilment of the supervisory duty is nevertheless possible without restriction.

(6) The operation of school canteens and the joint consumption of food by pupils and staff working at the school are permissible within the framework of face-to-face teaching operations and emergency care in groups that are as constant as possible while maintaining the distance requirement of at least 1.5 metres between people. When working in shifts, the tables must always be cleaned between shifts.

(7) Excluded from emergency care are children,

1. Who are or have been in contact with a person infected with the corona virus, if 10 days have not elapsed since the last contact, unless otherwise ordered by the competent authorities, or
2. Who have stayed in an area that was designated as a risk area by the Robert Koch Institute ("RKI") at the time of the stay within the previous 10 days; this also applies if the area is reclassified as a risk area within 10 days of return, or
3. Who show typical symptoms of an infection with the corona virus, namely fever, dry cough, disturbance of the sense of taste or smell.

(8) A prohibition of entry and participation does not exist in the cases of Paragraph 7 Numeral 1, provided that, according to the provisions of the Corona Ordinance Segregation, an obligation to segregate does not exist or no longer exists.

Art. 1g

*Events Organised by Religious, Faith and Non-Confessional Organisations
for the Practice of Religion as well as Events in the Case of Death*

(1) During events of religious, faith and non-confessional communities for the practice of religion as well as events in the case of death within the meaning of Art. 12 Paragraphs 1 and 2, congregational singing is prohibited in enclosed spaces.

(2) Participation in events within the meaning of Art. 12 Paragraph 1 is only permitted after prior registration with the organisers, provided that the expected number of visitors will result in the full utilisation of spatial capacities. The organisers shall carry out data processing in accordance with Art. 6.

(3) Events within the meaning of Art. 12 Paragraph 1 with more than 10 participants shall be communicated to the competent authority at least two working days in advance, unless general arrangements have been made with the authority.

Art. 1h

*Restrictions for Hospitals, Facilities for People with Care and Support Needs and
Outpatient Care Services*

(1) Access of visitors and external persons to hospitals is only permitted after a negative antigen test or with a respiratory protection that meets the requirements of the standard FFP2 (DIN EN 149:2001), KN95, N95 or a comparable standard; for children from 6 up to and including 14 years of age, a non-medical everyday mask or a comparable mouth-nose covering is sufficient. Art. 3 Paragraph 2 Numeral 1 remains unaffected.

(2) Access of visitors and external persons to inpatient facilities for people with care and support needs is only permitted after a prior negative antigen test and with respiratory protection. The respiratory protection shall meet the requirements of the standards FFP2 (DIN EN 149:2001), KN95, N95 or a comparable standard; for children from 6 up to and including 14 years of age, a non-medical everyday mask or

a comparable mouth-nose covering is sufficient. Art. 3 Paragraph 2 Numeral 1 remains unaffected. The facilities shall offer testing to their visitors and to external persons. External persons whose access to the facility is absolutely necessary for the maintenance of the facility's operation or for the psycho-social or physical health of the residents are exempt from the performance of a prior antigen test, provided that a prior antigen test cannot be performed for reasons that cannot be postponed. Fire brigade, rescue service, police and civil protection personnel whose access is necessary for the execution of a mission are also exempt from carrying out an antigen test.

(3) The staff of inpatient facilities for people with care and support needs as well as of outpatient care services must wear respiratory protection that meets the requirements of the standards FFP2 (DIN EN 149:2001), KN95, N95 or a comparable standard. The staff of inpatient facilities for people with care and support needs shall undergo testing for corona virus infection three times a week and the staff of outpatient care services shall undergo testing for corona virus infection twice a week and present the results to the management of the facility upon request; the facilities or the outpatient care services shall organise the necessary tests.

(4) Pursuant to Art. 32 Sentence 2 IfSG, the Ministry of Social Affairs is authorised to issue more detailed regulations to specify the testing and respiratory protection obligation in the cases of Paragraphs 1 to 3.

Art. 1i

Requirements for Mouth-Nose Covering in Certain Areas

Notwithstanding Art. 3 Paragraph 1, a medical mask (preferably certified according to DIN EN 14683:2019-10) or a respiratory protection that meets the requirements of the standards FFP2 (DIN EN 149:2001), KN95, N95 or a comparable standard shall be worn in the cases of Numerals 1, 3, 4 and 8. Sentence 1 shall apply mutatis mutandis to events within the meaning of Art. 12 Paragraph 1. For children from 6 up to and including 14 years of age, a non-medical everyday mask or a comparable mouth-nose covering is sufficient. Art. 1h Paragraph 3 and Art. 3 Paragraph 2 shall

remain unaffected.

Section 2: General Requirements

Art. 2

General Distance Rule

(1) If no suitable physical infection protection devices are available, it is recommended that a minimum distance of 1.5 metres to other persons be maintained.

(2) In public areas, a minimum distance of 1.5 metres from other persons must be maintained, unless compliance with the minimum distance is unreasonable in individual cases, is necessary for special reasons or adequate protection against infection is ensured by protective measures. Likewise excluded are gatherings that are permitted under Art. 9 Paragraph 1.

(3) The distance rule does not apply to schools, day-care centres and the other establishments referred to in Art. 16 Paragraph 1.

Art. 3

Mouth and Nose Cover

(1) A non-medical everyday mask or comparable mouth and nose cover must be worn

1. When using public transport, particularly in trains, trams, buses, taxis, passenger planes, ferries, passenger ships and cable cars, on train and bus platforms, in the waiting area of passenger ship landing stages and in railway and airport buildings,

2. In establishments within the meaning of Art. 13 Paragraph 1 Numeral 11,
3. In doctors' practices, dentists' practices, practices of other human medical health care professions and of alternative practitioners and in public health care facilities,
4. In and in waiting and access areas of shopping centres, wholesale and retail shops, as well as on markets in the sense of Arts. 66 to 68 GewO, as well as in parking areas spatially assigned to them,
5. During practical driving, boat and flight school lessons and during practical examinations,
6. Within pedestrian areas within the meaning of Art. 3 Paragraph 2 Numeral 4 Letter c of the Road Act; furthermore, on paths within the meaning of Art. 3 Paragraph 2 Numeral 4 Letter d of the Road Act, insofar as this is determined by the competent authority in consultation with the competent local police authority,
7. In enclosed spaces intended for the public or for public access,
8. In work and business premises as well as deployment sites, and
9. In schools based on the primary school, vocational schools and special education and advice centres with effect of the secondary level, in each case publicly and privately funded; the regulations of the Corona Ordinance School for schools within the meaning of Art. 16 Paragraph 1 remain unaffected.

(2) There is no obligation to wear a mouth and nose cover

1. For children up to the age of six,
2. For persons who can credibly demonstrate that they cannot or cannot

reasonably be expected to wear a mouth and nose cover for health or other compelling reasons, whereby the credibility of health reasons must generally be substantiated by a medical attestation,

3. In work and business premises at the place of work or when performing the activity, provided that a distance of 1.5 metres to other persons can be safely maintained; this does not apply if there is public traffic at the same time,
4. In practices, institutions, and areas within the meaning of Paragraph 1, Numerals 2, 3, 7 and 8, if the treatment, service, therapy or other activities require it,
5. When consuming food,
6. If another protection of at least an equivalent level is available for other persons,
7. In the areas referred to in Paragraph 1 Numerals 6 and 7 during sports activities in sports grounds and sports facilities of establishments within the meaning of Paragraph 1 Numeral 9,
8. In the facilities within the meaning of Paragraph 1 Numerals 7 and 8 for events within the meaning of Art. 10 Paragraph 4,
9. In facilities and areas within the meaning of Paragraph 1 Numerals 6 and 7, provided that a distance of 1.5 meters to other persons can be safely maintained, or
10. In establishments within the meaning of Art. 1 of the Child Day Care Act for children, educational staff and additional staff of these establishments.

Section 3: Specific Requirements

Art. 4

Hygiene Requirements

(1) Insofar as hygiene requirements are to be complied with by regulations of this Ordinance or on the basis of this Ordinance over and above the general obligations pursuant to Arts. 2 and 3, the persons responsible shall at least fulfil the following obligations:

1. The limitation of the number of persons on the basis of spatial capacities and the regulation of flows of persons and queues in order to enable the implementation of the distance rule according to Art. 2,
2. The regular and adequate ventilation of indoor spaces used for the stay of persons as well as the regular maintenance of ventilation systems,
3. The regular cleaning of surfaces and objects that are frequently touched by people,
4. The cleaning or disinfection of objects that are intended to be placed in the mouth after they have been used by a person,
5. The regular cleaning of barefoot and sanitary areas,
6. The provision of hand washing detergent in sufficient quantity as well as non-reusable paper towels, or hand disinfectant or other equivalent hygienic hand-drying devices,
7. The exchange of issued textiles after they were used by a person,
8. Timely and comprehensible information about access and participation bans, the obligation to wear a mouth and nose cover, distance regulations and hygiene requirements, possibilities for the cleaning of hands, an existing

opportunity of cashless payment as well as a notice regarding the duty of thorough hand washing in sanitary facilities.

(2) The obligation under Paragraph 1 shall not apply if and to the extent that, based to the specific circumstances of the individual case, particularly any local conditions or the nature of the offering, compliance with hygiene requirements is not necessary or is unreasonable.

Art. 5

Hygiene Concepts

(1) Insofar as a hygiene concept is to be established by means of regulations of this Ordinance or on the basis of this Ordinance, the persons responsible shall take into account the requirements of infection protection in accordance with the specific circumstances of the individual case. In particular, the hygiene concept shall describe how the hygiene requirements pursuant to Art. 4 are to be implemented.

(2) At the request of the competent authority, those responsible shall submit the hygiene concept and provide information on its implementation. Any further obligations to set up hygiene plans in accordance with the Infection Protection Act shall remain unaffected.

Art. 6

Data Processing

(1) Insofar as data are to be processed as a result of regulations of this Ordinance or on the basis of this Ordinance, the first name and surname, address, date and period of attendance and, if available, the telephone number may be collected and stored by those obliged to process data from those present, in particular visitors, users or participants, solely for the purpose of providing information to the Health Department or the local police authority in accordance with Arts. 16, 25 IfSG. A new survey is not required if the data are already available.

(2) The data shall be saved for a period of four weeks and then deleted. It must be ensured that unauthorised persons do not gain knowledge of the data.

(3) Upon request, the data shall be submitted to the authority responsible for Paragraph 1 Sentence 1, if that is necessary for tracing possible routes of infection. Any other use is not permitted.

(4) Those obliged to process data must exclude persons who refuse, in whole or in part, the collection of their contact data in accordance with Paragraph 1 Sentence 1 from visiting or using the facility or from participating in the event.

(5) Where attendees provide contact details pursuant to Paragraph 1, Sentence 1, to those obliged to process the data, they must provide accurate information.

Art. 7

Prohibition of Access and Participation

(1) Insofar as regulations of this Ordinance or on the basis of this Ordinance prohibit access to certain locations or participation in certain activities, this covers persons,

1. Who are or have been in contact with a person infected with the corona virus, if 10 days have not yet passed since the last contact,
2. Who show typical symptoms of infection with the corona virus, namely fever, a dry cough, a disturbance of the sense of taste or smell, or
3. Who, contrary to Art. 3 Paragraph 1, do not wear a mouth and nose cover.

(2) The prohibition under Paragraph 1 shall not apply if compliance with it is unreasonable in individual cases or access or participation is necessary for special reasons and the risk of infection for third parties is minimised as far as possible by protective measures.

Art. 8
Industrial Safety

(1) Insofar as occupational health and safety requirements must be complied with by regulations of this Ordinance or on the basis of this Ordinance over and above the general obligations under Art. 2 and 3, the employer shall at least fulfil the following obligations:

1. The risk of infection for employees must be minimised, taking into account the conditions at the workplace,
2. Employees must be comprehensively informed and instructed, in particular with regard to the changes in work processes and specifications caused by the corona pandemic,
3. The personal hygiene of employees must be ensured by the possibility of hand disinfection or hand washing at the workplace; utensils used must be disinfected regularly,
4. A sufficient number of mouth and nose covers must be provided to employees,
5. Employees for whom, on the basis of a medical certificate, the treatment of an illness with COVID-19 is not possible or only possible to a limited extent due to personal conditions or who are at increased risk of developing a serious course of an illness with COVID-19, may not be used for activities with increased personal contact and not for activities in which the distance of 1.5 metres to other persons cannot be maintained.

(2) The employer may collect, store and use information pursuant to Paragraph 1 Numeral 5 only for the purpose of deciding on the specific work assignment of employees if they notify the employer that they belong to the group referred to therein; employees are not obliged to make such notification. The employer shall delete this information as soon as it is no longer required for this purpose, but no

later than one week after this Ordinance ceases to apply.

Section 4: Gatherings, Events and Meetings

Art. 9

Gatherings, Private Get-Togethers and Private Events

(1) Gatherings, private get-togethers and private events are only permitted

1. With members of one's own household,
2. Of members of one household and one other person of another household; children of the respective households up to and including 14 years of age do not count here.

Sentence 1 Numeral 2 also includes the mutual, unpaid, non-business supervision of children up to and including 14 years of age in fixed, family- or neighbourhood-organised care communities, if it includes children from no more than two households.

(2) Paragraph 1 shall not apply to gatherings that serve the maintenance of work, service or business operations, public safety and order, or social welfare.

Art. 10

Other Events

(1) Anyone who holds an event shall comply with the hygiene requirements pursuant to Art. 4, establish a hygiene concept in accordance with Art. 5 beforehand and carry out data processing pursuant to Art. 6. There shall be a ban on access and participation in accordance with Art. 7. When holding the event, the occupational health and safety requirements according to Art. 8 must be observed.

(2) Paragraph 1 shall not apply to events whose implementation is already permitted under Art. 9 Paragraph 1.

(3) Prohibited are

1. Events that serve entertainment, in particular events of mass culture, other art and cultural events and dance events, including dance performances as well as dance lessons and rehearsals; top-class or professional sports events may only take place without spectators,
2. Other events with more than 100 attendees.

When calculating the number of attendees, employees and other participants in the event are not taken into account.

(4) Paragraphs 1 to 3 shall not apply to events intended to serve the maintenance of public safety and order, the administration of justice or the provision of services of general interest, as well as to events and meetings of organs, parts of organs and other bodies of the legislative, judicial and executive branches of government as well as institutions of self-government, including discussion meetings and oral hearings in the course of planning approval procedures.

(5) An event within the meaning of this provision is a temporary and localised and planned event with a defined objective or intention under the responsibility of an organiser, a person, organisation or institution in which a group of people specifically participates.

Art. 11

Meetings under Article 8 of the Basic Law

(1) Notwithstanding Arts. 9 and 10, meetings intended to serve the exercise of the fundamental right of freedom of assembly under Article 8 of the Basic Law shall be permissible.

(2) The chairman of the meeting must work towards compliance with the distance rule in accordance with Art. 2. The competent authorities may impose further conditions, for example, for compliance with the hygiene requirements under Art. 4.

(3) Assemblies may be prohibited if protection against infection cannot be achieved by other means, in particular by imposing conditions.

Art. 12

Events Organised by Religious, Faith and Non-Confessional Organisations as well as Events in the Case of Death

(1) Notwithstanding Art. 9 and 10, events organised by churches as well as religious and faith communities for the practice of religion are permissible. Anyone holding a religious event shall comply with the hygiene requirements pursuant to Art. 4 and shall establish a hygiene concept in advance according to Art. 5. There is a ban on access and participation pursuant to Art. 7. Sentences 1 to 3 shall apply accordingly to events of non-confessional organisations.

(2) Notwithstanding Art. 9 and 10, burials, urn burials and prayers for the dead are permissible. Anyone holding such an event shall comply with the hygiene requirements pursuant to Art. 4. There is a ban on access and participation pursuant to Art. 7.

(3) In accordance with Art. 32 Sentence 2 IfSG, the Ministry of Education and Cultural Affairs is authorised to issue, by means of statutory order, further specifications for infection protection, especially upper limits of the number of persons, and other executive regulations for events pursuant to Paragraphs 1 and 2.

*Section 5: Prohibitions and General Infection Control Requirements for Certain
Institutions and Businesses*

Art. 13

Operating Bans and Restrictions of Services and Facilities

(1) With the exception of online offers, the operation of the following facilities is prohibited for the public:

1. Places of entertainment, including gaming halls, casinos and bookmakers, with the exception of betting shops,
2. Art and cultural institutions, especially theatres, opera and concert halls, museums and cinemas, with the exception of music schools, art schools, youth art schools, drive-in cinemas as well as archives and libraries,
3. Tourist coaches, lodging establishments and other establishments offering overnight accommodation against payment, with the exception of necessary overnight stays for business, official purposes or in cases of particular hardship,
4. Trade fairs and exhibitions,
5. Theme parks, zoos, botanical gardens and other recreational facilities, including those outside closed areas, and museum railways as well as tourist cable cars,
6. Public and private sports facilities and sports grounds, including gyms, yoga studios, ski lifts and similar facilities, as well as football grounds, with the exception of uses for recreational and amateur individual sports alone, in pairs or with members of one's own household and for official purposes, for rehabilitation sports, school sports, study, top-level or professional sports,
7. Swimming, indoor, thermal, fun and other pools and bathing lakes with

controlled access, with the exception of uses for administrative purposes for rehabilitation sports, school sports, study, top-class or professional sports,

8. Tanning salons, saunas and similar establishments,
9. The hospitality industry, in particular public houses and restaurants, including shisha and smoking bars and catering establishments within the meaning of Art. 25 Paragraph 2 Restaurant Act ("GastG"), with the exception of catering establishments and services within the meaning of Art. 25 Paragraph 1 Restaurant Act ("GastG"), off-premises sales as well as pick-up and delivery services; likewise excluded is catering in connection with permitted overnight accommodation within the meaning of Numeral 3,
10. Refectories and cafeterias at universities and academies in accordance with the Academies Act, with the exception of the serving of drinks and food exclusively for take-away and off-premises sales; Art. 16 Paragraph 2 Sentence 2 applies accordingly,
11. Establishments for the provision of body-related services such as cosmetic, nail, massage, tattoo and piercing studios, as well as cosmetic pedicure and similar establishments, with the exception of medically necessary treatment, in particular physiotherapy and occupational therapy, speech therapy, podiatry and chiropody; also excluded are hairdressing establishments as well as barbershops that are authorised to provide hairdressing services under the Crafts Code and are entered accordingly in the Register of Crafts,
12. Dog salons, dog groomers and comparable animal care establishments, with the exception of boarding kennels,
13. Dance schools, ballet schools and comparable institutions irrespective of the organisational form or recognition as an art school,
14. Clubs and discotheques, and

15. Prostitution facilities, brothels and similar establishments and any other exercise of the prostitution trade within the meaning of Art. 2 Paragraph 3 of the German Protection of Prostitutes Act.

(2) Retail businesses and markets within the meaning of Arts. 66 to 68 GewO, insofar as they take place in enclosed spaces, must limit the number of customers present at the same time as a function of the size of the sales areas as follows:

1. For sales areas smaller than 10 square metres, to a maximum of one customer,
2. For sales areas of up to 800 square metres in total and in food retailing to a maximum of one customer per 10 square metres of sales area,
3. For non-food retail sales areas of 801 square metres or more, a maximum of one customer per 10 square metres of sales area in a total area of 800 square metres and a maximum of one customer per 20 square metres of sales area in the area exceeding 800 square metres.

For shopping centres the respective total sales area is to be applied.

(3) Classroom-based studies at universities and academies are suspended in accordance with the Academies Act; digital formats and other distance learning formats are permitted. Notwithstanding Sentence 1, the rectorate and the academy management may admit courses in attendance form, provided that these are absolutely necessary and cannot be replaced by the use of electronic information and communication technologies or other distance learning formats. Art. 16, Paragraph 2, Sentences 2 and 3, apply accordingly.

Art. 14

Validity of the General Infection Control Requirements for Certain Institutions and Businesses

Anyone operating or offering the institutions, offers and activities listed below shall comply with the hygiene requirements pursuant to Art. 4, establish in advance a hygiene concept in accordance with Art. 5 and conduct data processing pursuant to Art. 6:

1. Universities, academies in accordance with the Academies Act, libraries, archives and student unions,
2. Music schools, art schools and youth art schools,
3. Schools of nursing, schools for health care professionals, schools for social work, schools for rescue service activities and training and further education centres for nursing and health care professionals under the responsibility of the Ministry of Social Affairs,

6. Facilities permitted within the meaning of Art. 13 Paragraph 2 Numeral 11, as well as tanning studios,
7. Public and private sports facilities and sports grounds, including gyms and yoga studios, as well as dance schools and similar establishments,
8. Retail establishments and markets within the meaning of Arts. 66 to 68 GewO, with the exception of the requirements of Art. 6,

9. The hospitality industry, including catering facilities and services within the meaning of Art. 25 GastG; for hospitality establishments and services within the meaning of Art. 25 Paragraph 1 Sentence 1 GastG, the data processing pursuant to Art. 6 must only be carried out for outside guests,
10. Accommodation establishments,
11. Conventions, and
12. Betting shops.

When operating or offering these facilities, offers and activities, a ban on access and participation according to Art. 7 shall apply. In addition, the occupational health and safety requirements pursuant to Art. 8 shall be complied with; this shall not apply in the case of Sentence 1 Numerals 2 and 5. Sentences 1 to 3 shall also apply if an event permitted in accordance with Art. 10 is held as part of the facility, offer or activity. A ban on access and participation pursuant to Art. 7 shall also apply to the means of transport, areas and facilities mentioned in Art. 3 Paragraph 1 Numerals 1 and 4.

Part 2 - Specific Regulations

Art. 15

Principle

(1) The statutory orders issued on the basis of Arts. 16 to 18 and Art. 12 Paragraph 3 shall take precedence over all provisions of Part 1, insofar as deviating provisions are made there.

(2) Paragraph 1 shall not apply to the extent that these ordinances deviate from Arts. 9, 10 Paragraph 3 Sentence 1 Numeral 1 and Art. 13 Paragraphs 1 and 2, with the exception of regulations providing for more extensive measures to protect

against infections.

Art. 16

Statutory Order Authorisations

(1) Pursuant to Art. 32 Sentence 2 IfSG, the Ministry of Education and Cultural Affairs is authorised to stipulate through statutory order conditions and requirements, in particular hygiene requirements, for the operation of schools within its departmental responsibility, childcare services of the reliable primary school and flexible afternoon care, after-school care facilities and after-school care centres, day-care facilities for children, primary school support classes, school kindergartens and day-care centres for children to protect them against any infection with the corona virus.
