Baden-Württemberg

MINISTERIUM FÜR WIRTSCHAFT, ARBEIT UND TOURISMUS

Based in the Southwest of Germany, the federal state of Baden-Württemberg is a top location for enterprises with a global reputation.

The particular strength of Baden-Württemberg is its high economic performance characterized by a strong export position and huge investments in research and development as well as in innovations. Outstanding branches are the technology sectors such as automobile production and mechanical and electrical engineering.

A successful network of small, medium-sized and large manufacturers closely intertwined to research facilities and production-oriented services is a key factor for achieving this strong economic development.

Due to its high quality standards, Baden-Württemberg is an ideal location for successful business.
